Tables are rectangular and have been arranged to give best visibility of the class during the workshop. To the best of our knowledge, we will try to keep all friends together that have requested to be seated together.

Please do not move the tables as they have been set out so that Paige can move freely around the room.

Classes:

Paige has compiled the class kits and will be teaching 4 stunning pages during the day. There may be some items that are not included in your kit, but will be available to use on the day.
